

*The Standard of Excellence in Tubular Welding Electrodes*

## ***Educational Discount***

Select-Arc is proud to partner with our distributors to offer non-profit educational institutions with discounted product. The credit will be calculated by multiplying the pounds of product sold by the applicable credit amount indicated below:

<b><u>Product type</u></b>	<b><u>Credit per Pound</u></b>
Stainless and Hardsurfacing	\$0.35
All Other types	\$0.12

To qualify for the credit, the distributor must submit a copy of the distributor's invoice within 90 days of the transaction date. Following receipt of these documents, Select-Arc will issue a credit to the distributor's account who will then issue the credit to the institution under their own terms.
